This Congass ionar Distaict. - Not a day Maine to Texas, from the Atlantic to the Pa- American soil; but the Celestrals who die in passes without bringing us information as to the cific, will be united, and they will, we are sure.

California seem to regard it as derogatory to active exertions of our opponents in Louisville receive the hearty cooperation of all the sensiand in the various counties of the district to ear- ble, worthy, unpre-udiced men among our aus," and so are very particular to have their ry the Congressional election. Some of these adopted citizens. which any political society, are open; those of the week and party secret; and those of the Sag Nichts are partly open a meter raw-head-an-hoody benes to frighten and party secret; and those of the Sag Nichts tunil patries into the support of the American organization are theoretically, as hidden as the things in the womb of futurity. But old-liners, Demostrate womb, as ferale Constitution.

They are not, as represented by our opponents.

In her hold in the shape of somewhere bet veen sevently and a lundred definet. Celestials.—

Whilst living, a Chinaman will seldom pay more have been shaped and pust. Hain \$200 or \$50 to 18 transportation from China hence or back again, but the living long-task willingly pay from \$50 to \$57 to laste their dead taken home without provisions. This is a strange world, and the Celestial long-tailed miles the living long-task willingly pay from \$50 to \$57 to laste their dead taken home without provisions. This is a strange world, and the Celestial long-tailed miles the second of the control of the American definition of the Amer

ty of our political opponents in this canvass in hierogeneous, encoherent, distracted mass.

Already have we had cause to see and know and other foreign-born citizens. Some few foreign-born citizens. Some few foreign-born citizens. Some few foreign-born citizens go with the American party, and quie a number of American-born politicians go with the canvass in the city of Louiss de directions, and reader first lounders of the city of Louiss described in the court-house yard for Mr. Beverly L. Clarke was destroyed. We are about to attack another in sect it advantage to the city of Louiss described in the court-house yard for Mr. Beverly L. Clarke was destroyed. We are about to attack another in sect it advantage to the city of Louiss and the stand which was destroyed about to attack another in sect it advantage to the city of Louiss and the stand which was destroyed. We are that the stand was destroyed, but this was dure by a number of small boys, who were unsupported in the court-house yard for Mr. Beverly L. Clarke was destroyed. We are about to attack another in sect it advantage to the court-house yard for Mr. Beverly L. Clarke was destroyed. We are about to attack another in sect it advantage to the court-house yard for Mr. Beverly L. Clarke was destroyed. We are about to attack another in sect it advantage to the court-house yard for Mr. Beverly L. Clarke was destroyed. We are another thouse yard for Mr. Beverly L. Clarke was destroyed. We are an about to attack another in sect it advantage to the court-house yard for Mr. Beverly L. Clarke was destroyed. We are and know the court-house yard for Mr. Beverly L. Clarke was destroyed. We are an advanced in the court-house yard for Mr. Beverly L. Clarke was destroyed. We are an advanced in the court-house yard for Mr. Beverly L. Clarke was destroyed. We are an advanced in the court-house yard for Mr. Beverly L. Clarke was destroyed. We are an advanced in the court-house yard for Mr. Beverly L. Clarke was destroyed. We are advanced in the court-house yard for Mr. insolence is a bearable. If they had the repliticians, and almost make patriotism itself a questionable meaning. From it forth into the wilderness every native that rehave, rung and by it have been fortered Mortus to let them set their feet upon his neck.

Surely it is not surprising that we and other other rungious doctures which threaten to fram. true-hear ed Americans, in a conflict between ple upon all laws, human and divine, to substi-a ch parties, feel a leep and abso bing i terest suite I stiful licentious ess for constitutional in the issue. No sound in the whole world of aniarmy from Europe, would be half so painful from a volumery important p. We have now to our ears as Dutch and Irish shoutings on the however, the fullest evidence that the sudde night of the first Monday in August over a vic-

mean and as share field appearance making if.

we are willing to be considered as reporting and delarge our proportion, and share control and delarge our proportion of the control of the whore. Making our agreement of the control o

two candidates for Governor. Most certainly hate and fear us. They attribute to the example Col. P., if we are rightly informed from a mul- of the United States all the attempts among

whatever Col. P.'s views may be as to those measures of policy which have hitherto divided parties in the country, he is now throughly and zealously with our political opponents in his support of men. Of course it is very far from our desire to misrepresent him or to do him any meaner of injustice, and, if we have here stated his position erroneously, we ask him to do us the favor to set us right and thus enable us to set him right before the public.

Beautiful.—These nights, and the scenery and desire to our country and "will aid" in its destruction.

Have we then no cause for fear from a surplus of foreign immigration? Is it not time for us to look to the security of our liberty from this source of datger? We say emphatically, and we be leve that every honest man, after a

deepended combine to make a shape specified combine. To make a shape personal combine to make a shape personal combine to make a shape personal combine. The make a shape personal combine to make a shape personal combine to make a shape personal combine. The make a shape personal combine to make a

The land of dreams where our two words will mal
There was higher thantierpres. There our fields
Will be our stars—our residing ones our streams—item manucal and platforms ones our firedone; havely ames our flowers—our feery once
our meteors and our fightisting—and our hereit.

BEAUTIFUL—These nights, and the scenery in our streets. But the most beautiful sight in this vicinity, to our mind, is that from Water street. The river, in its majesty, just visible—the glancing of the sunbeams on the waves of the passing streame—the steamer's lights—the lights from a hundred flate above the city—the outline of Corn Island and Tow Head, and a dozen other objects—all combine to make a beautiful view.—Democrat.

What a very striking description of night compared this is a long that the most control of the sun of the s

legis. Toosday night last, during the very enthusiastic as such is the dra. American ratification meeting, the stand which time, it is

of the balveston News, in his letter of Jun. 15

writes as follows:

Or the 8th, at right, 12 v., 1 c. ossed the river with one 200 men in the length formed of Roma, and on the 11th at right, 60v. I reiva, the same who made hat year the gallant defense of Condad Victoria, in the first part of officers. He was on the next day followed by several or her Richmonds, and already this time on the otherside of the river. Out of this place alone, they exheted between two hundred and first and the parties of Ceralvo, Mark, and other towns. The whole-elective lories, when compined, will consist of some seven hendred men, to which you may add three thousand in Monterey. We have good reason for anticipating soon a radical change of affairs in the three adjoining departments of Tain ultipas, Nievo Leon, and Coalnula, and it may well be ascertained now, that Sania Asma's days of insertile and corruption are forever over in that section of unhappy Mexico.

The U. S. commanding officer in Part Brown.

rightion are commanding officer in Fort Brown having received information that the neutrality laws of the United States were being violated by the revolutionists, the gallant Maj. Porter deterritory, but it seems that they found no armed men, nor did they see anything to justify them in

Keeps by think a THE SHAKER PREPARED VELLOW DOCK

ca' campages it was a very general impossion that the well-discriptined Democratic party, under the management of its cummag and experienced leaders, had carried the system or organization to its utmost perfection, but the severest and most stringent Democratic organization to the utmost perfection, but the severest hand most stringent Democratic organization in the utworks. It is a comparison with that which our opponents have now established. There is no possibility the system now adopted can fail to reach with its power every individual upon whom its sengued to operate. Not one vote will be lost to our opponents that by any effort of political or personal induence can possibly be saved to them.

Though the definition of foreigners to this country, of the suppose of the sale purpose of the command and place for buried, and, as these wise men receive a salary until they have settled the business, it often happens, than those of any other in the universe. It is a composition of the freest principles of the supposition of the freest principles of the facility of the definition of the principles of the facility of the faci pper, that true man, Col. T.
